Contest Travel Release

The Athletic Department wants to emphasize the importance of student-athletes riding the team bus to and from athletic events. The riding of the team bus creates a bond. It is a sanctuary where athletes can commiserate after a loss or celebrate after a victory. It is an educational classroom where coaches can discuss team goals, strategies, give skill, game or practice instruction- a place where a coach can console, congratulate, or motivate an athlete. It is an environment that cannot be duplicated or recaptured at any other time than that moment.

You take away these experiences, opportunities, and more from your child and our team when you transport them to or from a contest. Under certain circumstances or exceptional situations, athletes may be excused from riding either to or from an athletic event on school authorized transportation.
